

A Very Special Place

We are happy to provide a clean, safe and comfortable nursery. The nursery is equipped with a private nursing room, a quiet sleeping room for babies, as well as a separate play area for active play.

Very Special People

The nursery is staffed with friendly adults and teen helpers who enjoy children. The volunteers help each child feel loved and safe. They are committed to showing children that church is a safe place. They ensure that every baby gets plenty of nurturing and personal attention.

A Fresh Look At Life

Open your heart to a child through the Nursery: watch a toddler explore

God's world and witness a child grow right before your eyes. Become a Nursery Volunteer today!

Coatesville Bible Fellowship Nursery

Sharing God's truth with
every generation!

For children birth - 2 years

Welcome to the Infant Nursery!

Welcome to Coatesville Bible Fellowship nursery. Our nursery serves as an extension of your home, providing quality care and security for your child. It is our

goal to inspire confidence that little ones will be safe and well cared for while you attend worship services, and to make your child's first

church experience happy and positive.

Jesus said, "Let the little children come to me, and do not hinder them, for the kingdom of heaven belongs to such as these."

Matthew 19:14

Registration Procedure

1. Sign-In and Pick-Up

The nursery facilities are open 15 minutes prior to the Church service and events, and approximately 10 minutes after. Upon entering the nursery a volunteer on the other side of the gate will take your child. You will be asked to sign in and be given a beeper. The nursery volunteer will release a child to a parent or guardian upon returning the beeper.

2. Registration

Registration forms are filled out for each child in our Infant Nursery. All parents entering their child in our nursery program are required to fill out this form. The information will be updated annually and will follow your child through 5th grade.

3. Beepers

Beepers will be given at the time of Sign-In. If a child is in need of his or her parent/guardian, we will beep you. The beeper vibrates to alert you that you are needed in the nursery.

4. Child's Belongings

Please label your child's name on your diaper bag, each bottle, pacifier, cup or any other personal items your child may bring into the nursery.

Well Child Nursery Guidelines

We want to provide a healthy environment in our nursery, so we ask you to keep your child at home when you observe any of the following.

- *Fever/Vomiting/Diarrhea
- *Discharge from eyes or ears
- *Questionable rash
- *Green or yellow runny nose
- *Excessive cough
- *Any communicable disease

What's So Special About Our Nursery?

We are more than just diapers and toys!

The Nursery touches lives for eternity and plants seeds of faith. We want the blessing and love of God to be a reality for all those involved in our ministry.

We Strive to:

- *Begin teaching even the youngest children about Jesus and His love for them.
- *Provide security and loving care for babies and toddlers.
- *Give undistracted time for parents to worship God and connect in community.
